

DEUSTO BUSINESS SCHOOL - GRANTS PROGRAMME**2026/2027 CALL FOR GRANT APPLICATIONS**

The Deusto Business School Grants Programme looks to promote equal opportunities for students enrolled in postgraduate studies at Deusto Business School – University of Deusto. This financial aid is offered through a grants programme to enable students with limited means and a good academic record to begin and/or continue their studies.

This programme complies to award grants to study at the Faculty of Economics and Business Administration.

In line with the objective set down in article 93 of its General By-Laws, the University of Deusto may supplement the amount needed to finance grants from its own resources, allotting a yearly amount from its budget.

This call for applications looks to establish the procedure required to manage DBS Grants for postgraduate studies.

The following criteria and requirements for processing, granting and receiving grants awarded in this programme for the 2026-2027 academic year have been established:

I. DBS GRANTS FOR BACHELOR'S DEGREE STUDIES**1.-Type of grants**

The DBS Grants are awarded in the form of up to 50% reduction in the tuition fee (the contribution fee and credit recognition fees are not included) for first time enrolment in subjects. This reduction is to be applied to each of the monthly tuition payments.

1.1. This reduction will not be applied for re-enrolment in subjects pending.

1.2. The grant will be awarded on a yearly basis for the duration of the postgraduate degree programme.

In the case of master's programmes with a duration longer than one academic year, the award granted will be applied proportionally across the 8 payments in the first year and the 4 payments in subsequent ones.

The Grants Committee may cancel the grant allocated for the second year if, according to the available documentation, it is observed that the academic performance in the previous year has not been adequate.

1.3. These grants are compatible with aid and grants awarded in general calls for grant applications held by public bodies. Applicants may therefore also submit applications for the aforementioned grants.

1.4. Under no circumstances may the amount awarded in the form of grants from other programmes and sources exceed the real cost of the degree programme the student is enrolled in.

1.5. The DBS Grants for postgraduate studies are awarded in a call for applications. The candidates obtaining the highest overall assessment will receive this aid until the total number of grants assigned for each degree programme has been given.

2.-Academic and financial criteria**2.1. Academic criteria**

Students who have been admitted to postgraduate studies of Deusto Business School and who have a grade point of average of 6 on a scale of 0-10 (or the equivalent for foreign degree programmes) are eligible to apply for the DBS Grants.

Candidates' CVs, academic and personal reasons for studying the Master's degree and their relationship with the University of Deusto will be evaluated for the final decision.

The following are the programmes that offer the grant:

- Master's degree in Management
- Master's degree in Human Resources
- Master's degree in European & International Business Management
- Master's degree in Finance.
- Master's degree in Sustainability Management
- Master's degree in Business Analytics

2.2. Financial criteria

2.2.1. The applicant's family income may not exceed the assets and income limits set for this call for applications, as explained in detail in Appendix I to this document.

2.2.2. The criteria to calculate family income are explained in Appendix II to this document. In the event that the aforementioned limits are overly restrictive for foreign candidates, they may be examined when applicable.

2.3. Failure to comply with the financial and academic criteria established for this call for applications will not constitute grounds for not processing the application submitted.

3.- Submission of applications

3.1. Application forms will be available to students on the UD webpage and at the Grants Service at both campuses. Submission of duly completed application forms and all supporting documents are required for processing.

No applications submitted without the supporting documents indicated on the application form will be accepted.

3.2. In order to ensure that the DBS Grants Programme is run properly, the Grants Service may request any other necessary documents.

3.3. Submission of the application implies granting the University of Deusto Grants Service the authorisation to use all available means to check the veracity of the academic and financial information provided by the applicant.

3.4. Applications must be submitted by the deadlines set by the Grants Service for each call for applications. 31 May 2026 is the 2026/2027 call for applications deadline.

3.5. All students are required to comply with this deadline except those affected by circumstances beyond their control such as the death or retirement of the family's main breadwinner or other reasons which adversely affect the family income, causing it to drop below the thresholds set for this call for applications.

4. Grant applications decisions

4.1. Applications may be resolved and communicated at different times during the admission process. During the first two weeks of July all applications will be resolved, so the last favourable resolutions will be communicated to the interested parties so that they are aware of this information before the end of the regular enrolment period.

4.2. The Grants Service will send written notification of the decision to the email address that the applicant provides to the General Secretariat of the University of Deusto.

4.3. Submission of applications implies acceptance of all the rules and conditions established for this call for applications and the decision of the grants selection committee. There is no right of appeal against the committee's decision.

5.- Rights and obligations of grant recipients

Award of a DBS Grant does not alter the recipient's student status in any way. However, grant recipients have the following rights and obligations:

5.1. Grant recipients' rights

5.1.1. Grant recipients will be entitled to the benefits stipulated in the form of a price reduction applied to tuition fees during the designated period, provided that they comply with the requirements stated.

5.1.2. Grant recipients may renounce the DBS Grant they have been awarded at any time. Grant recipients are required to notify the University of Deusto Grants Service of this decision in writing.

5.1.3. In compliance with the Student By-Laws, grant recipients' personal information may not be used for any purposes other than those regulated by the Data Protection Act.

5.2. Grant recipients' obligations

5.2.1. Accept and fulfil the obligations established in the terms of the call for applications.

5.2.2. Notify the Grants Service of any changes in personal details, contact, financial or academic information provided on the grant application and, in particular:

- a) any changes in the financial situation stated when applying for the grant which could exceed the income and assets restrictions required in this call for applications
- b) leaving the degree studies or obtaining lower academic marks than stipulated in article 2.1 of this call for applications, when it is due to reasons for which the grant recipient is not responsible, and duly providing proof of these circumstances.

5.2.3. State the existence of any employment relationship the grant recipient has with the University of Deusto or any other grants received from public or private bodies.

6.- Eligibility to continue on the programme

6.1. The duration of the grant will coincide with that of the postgraduate studies for which it is awarded, provided that the conditions required for application and award are duly maintained.

6.2. Upon completion of the studies for which the grant was awarded, recipients will be signed off the programme.

7.- Cancellation of the DBS Grant for postgraduate studies

7.1. Grant recipients' failure to comply with the academic and financial requirements or the obligations entailed in award of this aid, either due to initial or unforeseen circumstances will result in cancellation of the grant and reimbursement of the amounts wrongly collected.

7.2. In the event that the information provided on the application form is erroneous, incomplete or false, and/or the documents submitted have been falsified, the grant will be retroactively and irrevocably cancelled. The cancellation will go into effect immediately. The grant recipient will be required to reimburse the total amount wrongly collected and will be declared ineligible to apply for any grants awarded by the DBS Programme.

7.3. If the student is no longer enrolled in the degree programme for which the grant was awarded, either due to cancellation of enrolment or discontinuance of the degree programme, the grant and the rights it entails will be automatically cancelled.

III. MANAGEMENT OF THE GRANTS PROGRAMME

1.- DBS Grants Committee

1.1. Two separate procedures will be followed to manage the DBS Grants Programme: one for grants awarded for undergraduate studies and another for postgraduate studies.

1.2. Management of the DBS Grants Programmes will comply with the procedure set for the Deusto Grants Programme, set down in Resolution 1/2019 of the Vice-Rector for University Community , of 12 June 2019.

1.3. The DBS Grants Committee has been formed to manage the postgraduate grants and will be chaired by the Vice-Rector for University Community. Committee members include the Head of the Grants

Service, a member from the Vice-Dean's team at Deusto Business School and a member from UD's Grants Service, who will act as committee secretary.

1.4. The DBS Grants Committee will perform the following tasks:

1.4.1. Hold the DBS call for grants applications for postgraduate studies for the academic years it deems necessary, notifying the relevant bodies, authorities, etc. of the number of grants proposed.

1.4.2. Approve or reject the applications submitted to the DBS Grants Programme for postgraduate studies.

1.4.3. Examine cases of failure to comply with the obligations stipulated for this procedure, both concerning applications submission and entitlement to the grant and rule accordingly.

1.4.4. Compile the statistics concerning the programme each academic year, evaluating its effectiveness and reporting the results to the university authorities.

1.4.5. Evaluate implementation of this procedure and propose actions to improve it.

1.4.6. Revise and possibly update the eligibility criteria set for maximum income and assets and calculation of family income in Appendices I and II of this Resolution at least four months prior to the following call for grants applications.

1.5. This Grants Committee will approve its decisions by majority vote. In the event of a tie, chairman will have the casting vote.

2.- Processing of applications

2.1. The University Grants Service, and when applicable, the Grant Services, will carry out all tasks related to processing grant applications for this programme. They will also attend queries and propose any improvements to the committee.

FINAL PROVISIONS

First final provision

The Deusto Grants Committee, through the Grants Service, will ensure that the allocated funds are appropriately distributed.

By submitting a grant application, the applicant authorises the University of Deusto's Grants Service to verify the accuracy of the data provided to us by all means available.

Providing incomplete or untruthful data may result in the cancellation of the allocated grant and the reimbursement of the aid granted.

Second final provision. Compatibility

The award of these grants will be compatible with those granted by public institutions in general calls. Spanish students and foreign students with a residence permit in Spain issued prior to 31 December may apply for both grants.

Under no circumstances may the award of compatible grants from different programmes and/or sources outweigh the actual cost of the course enrolled.

Third final provision. Data protection

The University of Deusto with Tax Identification Number R4868004E is responsible for the processing of the personal data requested in this process, and its identification data are as follows:

Postal address Avenida de las Universidades, 24 - 48007 Bilbao

Telephone: 94 413 94 30

Channel for sending requests for the exercise of rights relating to the processing of data:
privacidad@deusto.es

Data Protection Delegate: e-mail: dpo@deusto.es

The purpose of the processing of personal data is the management of financial aid and grants, as well as, where appropriate, the sending of informative information on the activities and services of the University of Deusto by physical and electronic means.

The legitimacy for the processing of the data is the relationship established with the grant application and the regulation of its bases and the legitimate interest for, where appropriate, the sending of informative information in accordance with articles 6.1.b) and f) of Regulation (EU) 679/2016, General Data Protection.

Personal data will not be communicated to third parties or organisations except in compliance with a legal obligation in the scope of this processing or to the entities agreed or promoting the grant, in accordance with Articles 6.1.b) and c) of Regulation (EU) 679/2016, General Data Protection.

No international transfers of personal data will take place except in the event that the entity awarding or sponsoring the scholarships is an entity that has its headquarters in a State outside the European Economic Area in accordance with the terms and conditions of the call for applications.

The personal data will be kept during the processing of the file and until it is archived, at which time it will be blocked in accordance with the periods required by the specific regulations applicable, and those relating to the demand for liabilities arising from the management and processing of personal data, being treated confidentially and subject to technical and organisational security measures.

The interested party has the right to obtain confirmation as to whether the University of Deusto is processing personal data concerning him/her, to access such data, as well as to request the rectification of inaccurate data or, where appropriate, to request their deletion when, among other reasons, the data are no longer necessary for the purposes for which they were collected, to request the limitation of the processing of their data and to oppose the processing thereof, and to exercise their rights by sending an e-mail to the address privacidad@deusto.es and also by post, as indicated in the 'Protection of rights' section of the privacy portal available at www.deusto.es You may also file a complaint with the competent Data Protection Authority, especially when you have not obtained satisfaction in the exercise of your rights.

The applicant is responsible for providing truthful information in such a way that the omission or falsification of any information could lead to the cancellation of the grant. With regard to the data provided by other family members or third parties necessary to verify the fulfilment of the requirements, the applicant must have the necessary authorisation prior to informing said persons of the reason for the communication of said data in accordance with the information reflected in the previous sections, the University of Deusto being exempt from this obligation to inform third parties in application of article 14.5 of Regulation (EU) 679/2016, General Data Protection Regulation and this obligation corresponding to the person applying for the scholarship.

Fourth final provision. Generic references

This call will take into effect on 12 January 2026.

Fifth final provision. Generic references

All references to positions, jobs or people referred to in this order should be understood to apply both to men and women without distinction.

Appendix II:
Criteria for calculation of family income. Academic year 2026-2027

1.-Computable members:

- a) Computable members are the applicant's parents, legal guardians, the applicant and any single sibling under 26 who lives at home.
- b) The applicant's siblings over 26 who depend on the family financially and ascendant relatives who live permanently in the same family home may also be computable members.
- c) People who live in the same home due to remarriage or any other type of cohabitation will also be considered computable members and their income and property will also be computed.
- d) Applicants who claim to be financially independent are required to provide proof. In this case, any persons living with the applicant will be considered computable members. The Grants Committee will, nevertheless, examine the documents provided and will evaluate the applicant's economic independence when making decisions to award grants.
- e) Notwithstanding, the Grants Committee will examine the documents submitted and value whether the applicant is financially independent when making the grant award decision.

2.-Family incomes:

- a) Family income is the total income of all the family members. This amount is obtained by taking the last income tax declaration submitted as the reference and applying the following formula: Income= general taxable base + general savings base-gross tax payable When applicable, the income exempt from income tax must also be included.
- b) When no income tax declaration has been filed, the total income obtained from any source (work, unemployment benefits, pensions, etc.) will be added, and the amounts withheld as income tax and the deductible costs will be subtracted.
- c) The estimate of profits from business and professional activities will be calculated by applying real returns rather than tax criteria.
- d) Calculation of the income of students who are not residents in Spain will be based on equivalent official documents from their home country.
- e) In any case, the income declared must be consistent with the expenses assumed by the applicant as well as the family unit he/she is a dependent of.

3.-Family income deductions:

The following amounts can be deducted from the family income, as shown by categories:

- a) 3,000 euros when the applicant has another family member studying an official bachelor's or Master's degree programme at the University of Deusto. Maximum amount allowed: 9,000 euros.
- b) When 50% of the family members' income is not earned, etc. by the applicant, the main breadwinner or his/her spouse or partner.
