

MASTER'S DEGREE IN INTERNATIONAL RELATIONS AND BUSINESS DIPLOMACY

Entry requirements

The candidate must have:

Academic background

- Official Bachelor's degree (or equivalent)

English level

- Certification of competence in English language (C1); alternatively, a certificate of undergraduate studies in English can be submitted.

If candidates only have a B2 English level when applying for admission to the Master's, they can be provisionally admitted provided that they have reached an advanced English level upon enrolment in September. This requires the commitment of candidates' who have been provisionally admitted to improving their English level during the period between application for admission and enrolment.

The following aspects would also be desirable:

- Professional experience in the business internationalization field or academic training that demonstrates basic knowledge of the area.
- Certificate of competence in another language
